The student fees and applicable charges are required to be paid, at enrolment and/or by scheduled instalment date/s, either by the person enrolled (or by the nominated 'third party', for example, your employer), or as identified within a contract for delivery of TAFE NSW training. You are liable for your student fee, so if a nominated 'third party' (for example, your employer) has not paid your student fee (or fee instalments) by the due dates, you will be required to make the necessary fee payment/s.

If you have outstanding fees or charges, (whether due to be paid by yourself or a nominated 'third party'), you will have your access to enrolment, training and training materials 'blocked', you will not receive the student academic documents for your enrolment, nor will the Report to Employer be issued for apprentices and trainees. TAFE NSW may also refer your outstanding fees for debt recovery action.

**Disability Services** - If you would like information about disability support and services please contact a Teacher/Consultant for Students with Disabilities. Contact details are available at your campus of enrolment or on the TAFE NSW website <https://www.tafensw.edu.au/student-services/disability-services>

**TAFE NSW Credit Transfer** - If you have successfully completed the SAME or an EQUIVALENT unit to one that is in your current course, the result from your previous study can be transferred to your current course and included on your TAFE NSW Transcript of Academic Record. Your Head Teacher/Teacher can advise you of the units for which grades will transfer. There may be some cases where it is NOT possible to grant a credit transfer.

**TAFEcard** - The TAFEcard is a compulsory form of identification at TAFE NSW.

Your enrolment is not complete until you have your TAFEcard photograph taken. Please keep your TAFEcard as it can be re-activated if you decide to return to study at TAFE NSW.

**Student Association** - The annual Student Association membership fee funds facilities and services that improve the educational environment of a campus. For more information, contact your Campus.

**Online access to Student Portal.** If you are a new student, you will be given a username and password to access TAFE NSW Student Portal when you enrol. If you have been a student before, your username and password will remain unchanged.

**Making a Complaint.** If you have a problem with, or complaint about TAFE NSW, you can report it to any TAFE NSW employee. They will record your concerns so they can be dealt with confidentially and promptly. You can use the [online feedback form](#) or submit your complaint on a suggestion or complaints form, available from teaching and administration staff.

**Management of Risk of Harm to Students and Staff.** TAFE NSW is required by law to ensure the health and safety of students, staff and visitors on our premises and within our delivery environment. In order to meet these legal obligations it is necessary for us to access and manage any known risk of violent behaviour. If you have a history of violence that may suggest that you could pose a current risk of any type to TAFE students, staff and/or visitors it is a condition of your enrolment to advise the Campus Manager, a TAFE Counsellor or your Head Teacher prior to attending your first class or participation in training. For this purposes 'violence' is not restricted to physical acts.

It includes any behaviour that seriously interferes with the physical or psychological safety and wellbeing of others such as:

- actual violence to any person
- possession of or use of a weapon or any item with the intention to cause harm or injury to others
- threats of violence or intimidation of others
- suspension or expulsion from any school or educational institution for violent aggressive behaviour.

TAFE NSW is committed to offering vocational education and training to the entire community. Following your advice of a potential risk, we will carry out an assessment of the current risk and, if necessary, provide support and a management plan. Only in exceptional circumstances will a risk assessment lead to exclusion from enrolment.

It is our aim to provide an appropriate, safe environment to suit every student's need and maximise your success in your studies.
