

# Expression of Interest

## First Nations Water Metering Traineeship

MEGT, in partnership with NSW Department of Planning, Industry & Environment (DPIE) and Irrigation Australia Ltd are seeking Expressions of Interest from interested First Nations Peoples to take part in an exciting project in the Water Industry.

This program will create employment opportunities by equipping the trainees with key trade skills to help them develop a career path in water management and obtain a Certificate III in Irrigation Technology AHC32419 (Trade Level) qualification. This training will also include the trainees becoming Certified Water Meter Installers & Validators.

### Are you:

- An Aboriginal &/or Torres Strait Islander person?
- Interested in completing a two-year paid traineeship?
- Keen to gain a qualification in Irrigation Technology?
- Interested in completing the Certification in Water Meter Installation & Validation?
- Able to be away from home for at least three one-week training blocks over the two years?
- Able to work full time (38hrs per week)?
- Fit & healthy and enjoy working outside?

*A driver's licence would be an advantage but is not essential.*

The Program is scheduled to commence in February 2022.

If you would like more information, contact Deb Nooyen on 0404 824 618 or email your Resume to [debranooyen@megt.com.au](mailto:debranooyen@megt.com.au)

This project is delivered under the Murray-Darling Basing Plan by the Department of Planning, Industry and Environment and MEGT (Australia) Ltd, and is jointly funded through the Australian Government Department of Agriculture, Water and the Environment and NSW Government.
