

## Our Moree Plains – Our vision to 2032 art competition

Moree Plains Shire Council is undertaking a review of the Moree Plains Community Strategic Plan (CSP). The CSP is a visionary document that identifies the priorities and goals of the community for the next 10 years.

As part of this review, Council will be undertaking consultation with the community in early 2022. To kick things off, we're inviting local children and young people to enter an art competition. The competition will run throughout the Christmas school holiday period and entries close on 7 March 2022.

Entries must represent the entrant's ideas and vision for Moree Plains and what they hope to see in the next 10 years. Entries will be judged in age categories by the Moree Plains Mayor with \$150 Love Local gift cards up for grabs.
