

for children, Samilies & Community

Join Aunty Sharron as she takes us all on a musical song and dance journey. Together, we will respectfully acknowledge the Sovereign Custodians, Elders and Country before we begin a fun-filled, interactive song and dance presentation and concert for all ages. Meet her animal puppet friends and have a laugh with her cheeky puppet Dinawan-Emu, as we connect to our past, present and future, creating new footprints on Mother Earth together.
